

## airpods

### Seller Info

Name: ileys electronics  
Email: ileyselectronics@beecsan.com

### Listing details

#### Common

Title: airpods  
Price: \$ 9.00  
Condition: New

#### Description

Description:  
**HKM AirPods**

#### Features (Pro Version)

##### Feature

**Active Noise Cancellation (ANC)**

**Transparency Mode**

**Auto-Pairing**

**In-Ear Detection**

##### What it does

Uses microphones to block out background drones like airplane engines or AC units.

Lets you hear the world around you clearly without taking the buds out.

Often features a "Pop-up" window on iPhones, making them look like original Apple gear to the software.

The music automatically pauses when you take one

earbud out and resumes when you put it back.
