Title: Black hair shampoo
Price: \$ 4.50
Condition: New

Description

Description:

Black Hair Shampoo" is a popular, fast-acting alternative to traditional hair dye. It's essentially a **5-minute DIY color treatment** designed specifically for people looking to cover gray hairs or darken their natural shade without the long process of salon coloring.

Key Features

Feature
Speed

Ease of Use

Ingredients

Description

Takes only **5–10 minutes** to develop (traditional dye takes 30–45 mins).

You apply it like shampoo on damp hair, massage it in, and rinse.

Many versions claim to be "herbal" (containing Noni or Ginger), but most still contain **PPD** (the chemical that makes the color stick).
