Sharaxaad:

Samsung Galaxy A17 is the fresh, entry-level superstar of Samsung's "A" series lineup. It succeeds the Galaxy A16 and brings a more refined, "premium-budget" feel to the market.

128GB / 4GB RAM 5,000mAh Battery Designed to last **2 full days** on a single charge. **25W Fast Charging** Gets you back to 50% in about 30 minutes.
