## Cocoa morado perfume,

#### Feature Vibe

#### Performance Projection

#### Best For

#### Goobta

Waddan: Somalia  
Gobol/Gobol: Banaadir

#### Description

Sensual, cozy, and "expensive." It smells like a luxury dessert served in a wood-paneled lounge. Strong. It typically lasts **7-9 hours** on the skin. Moderate to Heavy. It creates a warm "bubble" around you rather than filling the whole building. Date nights, winter/autumn, and evening events where you want to feel unique.

Magaalada: Mogadishu
