## Smart Watch Hi future Zone 2

#### Feature

##### Heart Rate

##### SpO2

##### Sleep Tracker

##### Sports Modes

#### Battery Life: The Standout Feature

- **Normal Use:** Up to **7 days** on a single charge.
- **Standby Mode:** Can last up to **25 days**.

#### What it tracks

24/7 continuous monitoring with abnormal rate alerts.

Measures blood oxygen levels (great for high-altitude or recovery).

Breaks down Light, Deep, and REM sleep cycles.

**100+ Sports Modes**, including running, cycling, football, and yoga.

- **Charging:** Uses a magnetic "pogo pin" charger that snaps onto the back.
