Camera IMOU 1080P P&T OUTDOOR

The **IMOU 1080P P&T Outdoor Camera** (most commonly known as the **Cruiser SE** or **Cruiser 1080P**) is a powerful, budget-friendly security solution designed to give you 360-degree coverage of your yard, driveway, or business.

In 2026, IMOU remains one of the top "Value" brands under the Dahua umbrella, offering professional-grade features for home users.

P&T stands for **Pan & Tilt**. Unlike a fixed camera that only looks in one direction, this camera can move:

- **Horizontal Pan:** 355° (It can spin almost all the way around).

- **Vertical Tilt:** 90° (It can look straight down or up).
- **Remote Control:** You can move the camera manually using the
